A registered non-profit initiative to promote inclusive cultural growth

26 March 2017

Inviting Request for Partnership for Year-Long Socially Relevant Programs

With an aim to bring about social inclusiveness, the Panaji based non-profit registered Ganga Zuari Academy (www.gangazuari.org) is organizing a series of cultural programs in the year 2017-2018. The Academy now invites organizations of repute to be an important Partner / Collaborator to these cultural programs of fine and performing arts of social relevance, under their **CSR** scheme.

The advantages of being a part of this movement are that the banner of the Partner organization will be displayed in all the five programs throughout the year (see table below). In addition, the affirmative support will be announced publicly during all the programs, irrespective of the support amount. Even in our publicity material (poster, advertisements in print & electronic media, Radio) throughout the year, the name and logo of the organization will find a place as Partner / Collaborator. Moreover, a part of this support after the events will go to the Charity Houses.

The content, highlights and estimated expenditure of the programs are given below. You may kindly offer your support through a cheque for "**Ganga Zuari Academy**"
